

This is a time of profound sadness for the entire Advance Employment team. At approximately 2 p.m. on Thursday, May 25, one of our employees working as a flagger at a construction zone near Webberville was struck by a vehicle and killed. The employee was directing traffic through the construction zone when he was struck by an eastbound vehicle.

We would like to extend our deepest sympathies to his friends and family, who we are keeping in our thoughts and prayers, as well as our gratitude to the first responders who attended and assisted at the scene.

For further information about the active incident investigation, please contact the Ingham County Sheriff's Office.
